

OUR COVID VISITATION POLICY

With Covid restrictions lifted in Maryland, we have updated our visitation policies. All community models, our Annapolis Design Studio and Corporate/Sales offices are now fully operational, but all visitations are still by appointment only to the general public.

Fully vaccinated persons are no longer required to wear face coverings (all state locations other than Montgomery County). Face covering required for non-vaccinated individuals. We will be practicing six-foot physical distancing as recommended by the CDC and are washing hands regularly.

If you're interested in making an appointment at any of our locations, please contact our Online Sales Representatives **Bob Rayman** and **Becca Harryman** to coordinate your visit.

Bob can be reached at brayman@timberlakehomes.com or at 443-618-2643.
Becca can be reached at bharryman@timberlakehomes.com or at 443-949-5131.
Please leave a message if you do not immediately reach us and we will be back in touch with you.

**Thank you for your interest in Timberlake Homes
and Timberlake Design/Build.**

We look forward to meeting you!
